

GRAND COUNTY MODEL RAILROAD CLUB & MOFFAT ROAD RAILROAD MUSEUM

P. O. Box 2221

Granby, Colorado 80446

NEWSLETTER NUMBER 34, February 8, 2010

Probably the most important meeting of our 3 years in existence is coming up next week. The regular club meeting will be at 7 PM on Wednesday February 17 at the Granby Town Hall. Jim Young, who was the Development Coordinator (read that as chief fund raiser) for the new Granby and Grand Lake (Juniper) Libraries, has agreed to do the same work for the Moffat Road Railroad Museum. Our Finance Committee met with Jim last week for several hours which resulted in a very high level of enthusiasm and confidence that we WILL raise the money to create our building. Jim will be our speaker next Wednesday evening. Be sure to be present at this meeting to hear how we are going to get it done.

We are inviting all of our board members to this meeting, both those on the Active Board and those on the Advisory Board. We are pleased that 10 VIPs have joined our 2 officers to form these boards. They are:

Two new members have signed up and paid their 2010 dues. We welcome Steve Armstead from Grand Lake and Lou Tyler from Winter Park. We hope that many more of you who read this will follow their lead and join with us.

Our new web-site is up and running. We have a new logo and new letterhead. We are in the process of setting up with Pay-Pal to receive donations. We are working on the materials needed for making grant applications. We have either oral commitments or agreements from a number of businesses, governmental agencies and individuals for future materials and services relative to our construction project. These appear to total well over \$130,000 in value.

It is an exciting time. Come to the meeting next Wednesday and join us in our enthusiasm.
