

GRAND COUNTY MODEL RAILROAD CLUB & MOFFAT ROAD RAILROAD MUSEUM

P. O. Box 2221

Granby, Colorado 80446

NEWSLETTER NUMBER 38, June 9, 2010

The June meeting will be held on Wednesday June 16 at 7:00 PM at the Granby Library community room. If you received a notice that the meeting would be at the Town Hall, that was an error.

We are planning a July 24, 2010 kick-off event to start our drive to fund the construction of the Moffat Road Railroad Museum and its outdoor interpretive center. If you know of people who should be invited because of their interest in historic preservation, railroads and/or model railroading and who are potential donors please get their names and addresses to Dave, Jack or Jim ASAP, since we will be addressing envelopes at our meeting next week. We will also be asking those at the June 16 meeting to take on some tasks relative to the party.

Carol Hunter has agreed to take on the responsibility to help start a chapter of Youth in Model Railroading, in Grand County.

Jim McKinney has agreed to get us organized and working on 2 x 6 foot HO modules. Plans and information will be available at the meeting.

Please come to the meeting on Wednesday evening and join in the excitement. We need help from everyone to make this wonderful venture happen.
