NEWSLETTER NUMBER 40, August 12, 2010

There will be no regular 3rd Wednesday of the month meeting in August. You should have received an invitation in the mail yesterday or today for the kick-off event to start our drive to fund the construction of the Moffat Road Railroad Museum. If you didn't get one and are able to attend on Saturday August 21 at 5 PM please let Jack know at jbakken@juno.com so we can get one to you.

We need as many of our members as possible to be at the party to schmooze all of our guests and talk about our plans, Grand County history, the Moffat Road and railroading.

The 1906 coach has been loaded onto a rail flat car and is on its way from Rhode Island to Granby. Dave Naples has been informed that it is due to arrive in Granby within a month to six weeks. Dave is working on getting road bed, ties and track in place to receive the coach so that we don't have to move it twice.

The Town of Granby has received a \$300,000 grant for beginning the project of the pedestrian overpass to go from Railroad Street over the Union Pacific tracks and ROW toward the Moffat Road Railroad Museum and the town's Kaibab Park.

Hope to see many of you Saturday afternoon, August 21.
