

GRAND COUNTY MODEL RAILROAD CLUB & MOFFAT ROAD RAILROAD MUSEUM

P. O. Box 2221
Granby, Colorado 80446
NEWSLETTER NUMBER 32
December 17, 2009

As you have probably assumed, there was no meeting last night (the 3rd Wednesday) since we have been working on the Granby Town Hall Christmas layout. More than half of our members have been involved in it so far. We still have two weeks of operations scheduled, including tomorrow (Friday) and week days Monday through Thursday thereafter. Please come and help if you can.

At our November meeting we agreed to change our membership structure and dues. The 12 of us who started the club, and put in \$300 each will heretofore be the Charter Members. All of the rest of you who receive this newsletter are invited to become members by paying \$50, which will be your dues for 2010. Charter Members will also be paying their 2010 dues at the \$50 rate. You may choose to be either a member of the Club or of the Museum. We will be soliciting as many Grand County residents as possible to become Museum members. Anyone interested in railroads, museums, historic preservation, modeling, or related subjects will be welcomed as a member with full rights and privileges. Send your check to the address above.

Also at our November meeting we reviewed the plans for the new building, talked about various suggestions for changes which many of you sent to us, and incorporated most of them.

At the same time we agreed that Dean Cinocco shall be a member without obligation for dues.

One of our members has donated individualized blue aprons with the club and museum names embroidered. Members have to show up at a Granby Town Hall operating session or one of our club meetings to claim theirs. Six of our members have theirs as a result of their operating the layout. We have had almost 300 people visit the layout so far. Hope to see you there soon.
